LOVE EUROPEAN CINEMA? THEN YOU'LL *LOVE* SUBTITLE.

Subtitle 2026 – Celebrating our 10th festival in Kilkenny.

For seven days this November, Kilkenny becomes a home for the very best of European cinema.

Discover some terrific new European films, including a host of Irish premieres. There are compelling dramas, sharp comedies and a few unexpected gems, alongside some much-loved European classics.

Enjoy some terrific performances from actors you may already know and others you'll be discovering for the first time. Meet some of them in Kilkenny, and enjoy great cinema as it was meant to be seen — on the big screen.

And this year, there's no need to choose between films. Take your time, follow your curiosity, and see every new film we have to offer.

All film screenings €10.

Seven days. One beautiful city. A world of European cinema.

Let the stories begin.

About Kilkenny

Named one of Condé Nast Traveller's seven wonders of Ireland for 2026, Kilkenny is a medieval city with a remarkable cultural life. Home to festivals including Kilkenny Arts Festival, the Cat Laughs, Kilkenomics and Savour Kilkenny, it's a city that knows how to welcome visitors.

With its beautiful historic buildings, lively pubs, excellent restaurants and wonderful walks, Kilkenny is a lovely place to spend a few days. The magnificent Kilkenny Castle, dating back to the 12th century, sits right at its heart.

One of the little bonuses of Subtitle is that everything is so close together. Our cinemas, hotels, restaurants and bars are all within easy walking distance, making it easy to move between screenings, meet friends and enjoy the city.

And at just 85 minutes from Dublin, Kilkenny is ideal for a day trip or a longer stay.

For more information, visit Kilkenny Tourism or Discover Ireland.

TrineSpotting

She's one of Europe's finest actors, and her films have long been favourites at SUBTITLE. Over the years, **Trine Dyrholm** has given us some outstanding performances, moving effortlessly between drama, comedy and everything in between.

This year, we're celebrating her remarkable range with five films: the Oscar-winning *In a Better World*, the romantic comedy *Love Is All You Need*, the acclaimed historical drama *A Royal Affair*, and two of her more recent films, *Beginnings* and *Second Victims*.

Whether you're already a fan or discovering her for the first time, there's plenty to enjoy.

Trine herself will be joining us in Kilkenny on the 28th November making this year's celebration all the more special.

Happy TrineSpotting!

THE ANGELA AWARDS

SATURDAY 28th NOV, 8:30PM. WATERGATE. Tickets: €20 (€10+€10)

Hosted by the wonderful Pauline McLynn, the tenth annual Angela Awards celebrate outstanding performances by European actors over the past year.

Presented by some familiar faces from the Irish film industry, the awards have become one of the highlights of Subtitle — a chance to recognise special talent and celebrate the people who bring European cinema to life.

It's a warm, entertaining evening, with plenty of surprises and live music from the incomparable Camembert Quartet.

Always one of the festival's most popular events, tickets are limited, so early booking is strongly advised.

A NOTE ON OUR 2026 FILM PROGRAMME

At Subtitle, we believe there's something magical about discovering a film without knowing too much about it beforehand. That's why we've deliberately kept our descriptions short and chosen not to include trailers, which can sometimes give away rather more than we'd like. Of course, if you prefer to know more about a film before seeing it, there's plenty of information available online. But we really like the idea of arriving at the cinema knowing just enough to be curious and leaving having discovered something unexpected.
